

「暑い夏～セブ島語学研修編～」

体育館天井の梁の改修工事の様子

暑い夏が、今終わろうとしています。この夏、世間ではパリオリンピック・パリパラリンピックで日本中が大いに盛り上がりました。生徒の皆さんは、この夏どのように過ごし、「人生一冊」と出逢えたでしょうか。8月28日(水)の全校集会で元気に登校した生徒の皆さんに再会でき、大変うれしく感じました。

本校では7月22日(月)から二、三年生の進学課外(～8月2日)、集中講義(～8月6日)、全学年の夏期補習(8月6日・8月28日)や各部活動が実施され、多くの生徒の皆さんが汗だくになって登校し頑張っていました。

またこの夏、体育館天井の梁の塗装改修工事を行いました。この工事のお陰で、今後、体育の授業や学校行事、部活動など快適に活動できるよう

になりました。

そしてコロナ禍の中、実施が見送られていた語学研修旅行を数年ぶりに行いました。今回は、長末先生に引率していただき、生徒5名が7月20日(土)福岡空港国際線からフィリピンセブ島に飛び立ちました。セブ島では、朝8時から17時50分までみっちり英語レッスンの日々。身に付けた英語力をアウトプットするため7月28日(日)の一日、現地の社会問題の講話や子供たちとの交流がありました。約2週間の研修を終え、8月3日(土)元気に福岡空港に到着しました。その様子を感想文と写真でお届けします。

This language training brought students great opportunities to not only improve their English skills, but also understand different cultures. At first, their faces were tense since everything was new, but they gradually got accustomed to the environment and became more

confident lastly. The classes in GLC were so satisfying that there were chances to speak English a lot and make new friends from other countries. Although stomachache attacked all of us many times, that was also one of the good memories in Cebu. I appreciate all people involved this study program. Thank you so much.

I have learned a lot in the past two weeks. I learned not only English, but also many other things that I could not have learned at school in Japan such as how to communicate and react. I will continue to study English after returning to Japan and I hope to come back to GLC again. The schedule was tight because of the short two-week period, but I had a very productive time. Finally, I am very grateful to people of GLC and my GLC friends for their support during my time there! Thank you for a great time.

I went to study abroad and learned a lot. To be honest, it was really difficult for me to get used to an unfamiliar environment. However, I was very happy

when I was able to communicate with people from a different culture and language and that became an unforgettable experience. I cannot change the fact that I'm not good at English, but I became more interested in English than ever before. It was a great experience!

This study abroad experience was very educational and enjoyable. On the first day, I was so nervous and I couldn't speak, but learned more words day by day. Then, I started to understand what the teachers were saying. After that, the conversation gradually became livelier and I was really happy. I want to make use of this experience to try new things.

It was a short time since I came to the GLC, but it was enjoyable time. Meeting the good friends, and the great teachers became the best memory. I'm glad I was able to come to GLC and my first overseas trip was to Philippines. If I can come back to Philippines again, I would like to have fun.

Over the past two weeks, I have learned about the language barrier and how to deal with my emotions. First day of the first week was tough. It was disappointing with myself and I wanted to escape from the reality. This was the first time for me to go to a different country, and it was hard to talk in English. I felt there was a big language barrier. However, when I couldn't communicate with teachers, all of them were kind and taught me until I understood properly. Therefore, I found that motivation and a will I are more important than language to deliver the words to the others.
